Boost your preparation for the SSC CGL and CHSL Tier 1 exams with our all-in-one, meticulously crafted study package. This package is designed to give you an edge by providing you with high-quality practice material, extensive question banks, and up-to-date resources that cover all key topics in the SSC CGL and CHSL exams. With 200+ fresh, exam-focused mock tests, aspirants can thoroughly test and refine their preparation.

Each mock test is carefully structured to mirror the latest exam pattern, helping you build confidence and strengthen time management skills. Additionally, get a free weekly test to stay in the practice loop, assess your growth, and identify areas for improvement. Our expertly prepared resources ensure comprehensive coverage across all sections of the Tier 1 exam.

**Extensive PDF Resources for Intensive Practice:**

- Maths: 2,500+ most expected questions covering all critical concepts in mathematics, designed to boost problem-solving speed and accuracy.
- General Studies (GS): 2,500+ most expected questions, ensuring complete coverage of history, polity, geography, science, and current events.
- English: 1,100+ most expected questions with emphasis on grammar, vocabulary, comprehension, and error spotting.
- Reasoning: 750+ most expected reasoning questions, designed to improve logical thinking and analytical abilities.

**Exclusive SSC Resources for Added Advantage:**

- Formula Book for Geometry & Mensuration and Co-ordinate Geometry: A comprehensive formula book covering all important geometry and mensuration & Co-ordinate Geometry formulas, allowing easy reference and quick revisions.
- 100 Golden Rules of English Grammar: Enhance your grammar fundamentals with concise and essential rules, along with 500 practice questions to strengthen your application.
- SSC Vocabulary Question Bank: A curated collection of vocabulary questions, ideal for improving verbal aptitude and command over frequently tested words.
- SSC English Grammar Books (Vol 1 & Vol 2): Fully updated content covering all essential grammar topics, providing in-depth coverage for the SSC exam syllabus.

**Why Choose Our Package?**

- With Galaxy Classes' SSC CGL & CHSL Tier 1 Complete Preparation Package, you not only gain access to extensive practice material but also ensure a structured preparation journey. Our study resources, combined with expert-led mock tests, ensure you're well-prepared, confident, and ready to ace the SSC Tier 1 exams.
